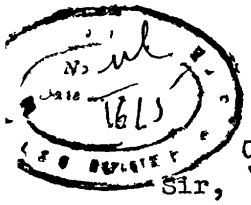
L S.G Department, Bangalore
(Through the President)



Sir,

Subject - Grant of combined leave for 3 months and 24 days to Sri C S. Ramanna Head clerk, Health Section of City Municipality, Mysore

---

I write to state that Sri C S Ramanna, Head clerk of Health Section of this Municipality, in grade Rs. 40-2-50 EB 3-80, had applied for the grant of combined leave for 3 months and 2 days from 24-6-51 preparatory to retirement from service, from 26-9-51, the date on which he attained the age of superannuation In the interest of public service, the leave applied for was refused and he was recommended an extension of service for one year from - 26-9-51 as per Council resolution No 422 dated 6-8-51 The same was sanctioned by Government in their order No L 13288-9/CM 3-51-36 dated 19-2-52 Consequently, the official has to retire from - service on 26-9-52 as the period of extension of service expires on 25-9-52 He has now applied for the grant of combined leave for 3 months and 24 days from 2-6-52 preparatory to retirement He is entitled to the leave applied for as per Article 147 of M S R.

2) Government have in their order No G O No.C S 18629-18728-CB 29-50-3 dated 28th March 51 empowered Heads of Departments to grant leave up to 6 months to Non-gazetted officers during extension - period, and after superannuation But this has been subsequently modified in Government Official Memorandum No CH.S 8963-9062/Misc. 122-51-1 dated 20-12-51 and the powers referred to in G O. dated

P T O.

G O. dated 28-3-51 (annexure1) are exercisеable only by those Heads of Departments whose sanctioned scale of pay (a) in the case of fixed scales is above Rs 1000/- and (b) in the case of graded scales commences from Rs 1000/- and above.

3) The Municipal Commissioner City Municipal Council, Mysore is one of the Heads of Departments coming under appendix of the M.S R and as per Note to Article 147 M S R , he can sanction leave up to two months in the aggregate to Non-Gazetted Officers during an extension of service But as he is not one of the Heads of Departments specified in the Government Official Memorandum D/ 20-18-51 referred to above, he cannot grant leave in excess of 2 months viz , for 3 months 24 days now required to be sanctioned to Sri C S.Ramanna

4) In these circumstances the official will be given 2 months leave, as per note under Article 147 (M S R) from 2-6-52, out of 3 months and 24 days applied for by the official - preparatory to retirement As regards the balance of leave I request that sanction of Government may kindly be obtained and communicated early

5) Further, as regards filling up of the vacancy, Government have directed in official memorandum No E 1118-218 R and P.S 11-52-2 dated 30-4-52 that, as a measure of retrenchment in various departments, the vacancies of Head clerks among other categories of officials should be kept unfilled The official memorandum, if strictly, enforced would seriously affect the work in the Health Section As the existing staff could not cope the work, there is a proposal to reorganise and increase the number of officials in the Health Section It is not possible to effect retrenchment in the existing staff, by keeping the vacancy unfilled I request therefore permission to fill up the vacancy that would be caused by the retirement

Sir,

Subject - Filling up the vacancies temporarily in this Municipality.

I write to state that one Sri B.K. Krishnamoorthy, clerk on Rs. 40/- of the Health Section of this Municipality applied for the grant of privilege leave for one and half month's from - 1-4-52 or from the date of availment on account of his domestic and other private affairs. By the time leave could be sanctioned and a substitute appointed from the approved list of the P.S.C. Government Official Memorandum No E. 1118-218/ R and P.S.11-52-2 dated 30th April 1952 was received issuing instructions that no vacancies of clerks and other posts specified therein should be filled up without obtaining specific orders of Government. In view of this the question of granting him leave is pending for want of a substitute. The official applied for leave so far back as on 21-3-52. It would be really hard if leave is refused or unduly delayed for want of a suitable substitute, nor would it be possible to manage work with the remaining hands as the number of working hands in all sections is very limited. If the rules prescribed in Official Memorandum are enforced strictly and the vacancies are kept unfilled, it would be very difficult to get through the work with the very limited number of the remaining hands.

In these circumstances I request you kindly to obtain

P.T.O.

obtain and communicate ~~and communicate~~ sanction of Government early to relax the rules of the Government Official Memorandum in question and accord permission to fill up the vacancies - -temporarily. There would then be no dislocation of work - in the office and there would be scope for replacing the - temporary hands by officials thrown out in retrenchments.

Subject - Filling up the temporary vacancies of clerks.

I write to state that in connection with the General Revision of Assessment work, the posts of 4 clerks on Rs 40/- p m were sanctioned among others for a period of 6 months from 1-12-1951 in the first instance The question relating to the continuance of the staff for a period of 6 months more is under consideration of the Municipal Council Candidates from the approved P S C's list were appointed and pending report to duty of the P S.C candidates, locally available candidates were temporarily appointed in the interim period against the clerical posts . Only one P S C candidate has joined duty and is working As three of the P S C candidates did not come and join duty, action to appoint the next candidates from the P S C list was under consideration

In the meanwhile, Government have in their official memorandum No E 1118-218 R and PS 11-52-2 dated 30th April 1952 received from the Secretary to Government, Education Department, directed that no vacancies of clerks and other vacancies specified therein should be filled up without obtaining specific orders of Government

It is stated in this connection that the vacancies in question occured prior to the date of the said Government Official Memorandum which were filled up already and the local candidates are continued due to the failure of the assigned P S C candidates in joining duty. Now if according to the above memorandum, action to fill up the vacancies by the next candidates, is not taken, it means the grant of benefit to the local candidates. The assigned candidates, who would have been appointed against these posts, will be deprived of the privileges.

I therefore request you kindly to obtain and communicate orders of Government for filling up the vacancies in question by appointing the assigned P S-C-candidates. As these are temporary posts created in connection with the general revision of assessment, the appointments will be purely temporary.

Sir,

Subject:- Filling up the vacancies temporarily in the Municipality.

In inviting your kind reference to this office letter of even number dated 11th August 1952 on the above subject, I write to state that no orders have been received so far in the matter. As already explained in the letter referred to above it has become very difficult to manage the work without appointing substitutes in the existing vacancies. One of the clerk of Health section was granted leave from -1952, preparatory to retirment from 26-9-1952. The release vacancy is kept unfilled. Subsequently another official Sri Subba Rao of Head Office was also granted leave from 18-7-1952, preparatory to retirement from 8-10-1952. Another clerk of Health section died very recently. The Record keeper was transferred per orders of the Revenue Commissioner to the office of the Chairman City Improvement Trust Board without any hand being posted in his place. As a result of keeping all these released vacancies unfilled, it has become very difficult to get on with the work with the existing hands. The concerned sectional officers are also pressing for posting of substitutes. In the circumstances, and in the interest of work, the vacancies are to be filled up temporarily of course strictly in accordance with the C.C. rules. I request you kindly to obtain and communicate orders of Government early conveying

approval for the action taken in this behalf.
